THE PASSOVER AND THE LAMB OF GOD

The week-long festival of Passover is celebrated in the early spring. It commemorates the emancipation of the Israelites from slavery in ancient Egypt.

At the stroke of midnight of the designated day, God visited the last of the ten plagues on the Egyptians, killing all their firstborn. While doing so, God spared the Children of Israel, “passing over” their homes. Pharaoh’s resistance was broken, and six hundred thousand adult males, plus many more women and children, left Egypt and began the trek to Mount Sinai.
